<b>Motivatie recensent</b>	The 2018 Senda Del Oro is a fruit-driven young Tempranillo with aromas of licorice and good balance between fruit and oak, with some creamy notes and ripeness without excess. It's clean and modern, easy to like, medium to full-bodied, with integrated acidity. They produce between 100,000 and 120,000 bottles of this, which represents almost half of the total production of the winery. It was bottled in May 2019.
